DAVID DIGIORGI, PRES  
DIGIORGI ROOFING & SIDING

DEAR DAVID,

I WOULD LIKE TO COMMEND YOU ON YOUR  
CHOICE OF STAFF.

YOU INSTALLED LEAF GUARD GUTTERS ON MY HOME  
LAST WEEK AND I AM MORE THAN PLEASED.

I HAD GUTTER HELMUT AND GUTTER PRO QUOTE  
ME AS WELL AS YOUR REPRESENTATIVE, ED MARTIN.

ED WON THE "BEST SALESMAN" CONTEST. HE WAS  
KNOWLEDGEABLE, AND INFORMATIVE, POLITE AND  
PROUD OF HIS EMPLOYER. HE GAVE A CONCISE  
WRITTEN ESTIMATE WITH NO "SMOKE OIL" IN IT.

I HATE TO TELL YOU WHAT THE OTHER TWO  
SALESMEN DID TO BLOW THE SALE.

MY CONTACT WITH DONNA WAS EXCELLENT ALSO.  
SHE LIVES UP TO HER PROMISES.

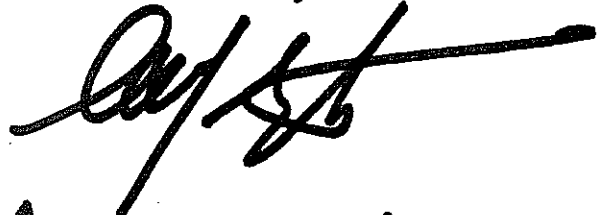

MY FINAL ENCOUNTER WITH YOUR FIRM WAS WITH  
YOUR INSTALLERS LOUIS & RAY. WORKING BETWEEN  
RAIN SHOWERS THEY MADE EXCELLENT TIME AND  
SHOWED IMAGINATION AND SKILL WHEN CONFRONTED  
WITH PROBLEMS.

THEY WERE POLITE AND COURTEOUS AND  
WORKED NEATLY, CLEANING UP WHEN THE  
JOB WAS DONE.

I AM BOTH A SALESMAN AND A WOOD WORKER  
AND I CAN APPRECIATE THE WAY YOUR  
PEOPLE CONDUCTED THEMSELVES.

I WOULD BE MOST HAPPY TO RECOMMEND  
YOUR COMPANY TO ANYONE NEEDING  
RE-ASSURANCE.

SINCERELY,

ALBERT M. VIGORITO

Dave:

*I wanted to take a moment to personally thank your installation team, (Gabe, Miguel, & Bailey Cook) for the professional job they did at my home with the installation of the LeafGuard Gutter System. Due to my work schedule, I wasn't able to be present to witness these craftsmen at work. However, upon returning home the evening of the installation, I found their work to be extremely neat and well laid out. It is quite apparent they paid attention to detail at every transition.*

*Equally, I must also commend Sean O'Connor for the manner in which he represented your business during his initial site survey. He was able to answer all of my questions regarding the LeafGuard System and conducted business in an exemplary fashion.*

*In conclusion, these men are truly an asset to your company and due to the professional treatment and work ethic they demonstrated throughout this transaction, I have no reservation in recommending your services to my friends.*

*Thanks again for a job well done!*

Gentlemen:

I would just like to thank you for the great job performed by your entire crew. From your sales rep, Ed Martin, to the entire work crew, whose names I unfortunately do not know, thank you. Each and everyone were extremely polite and conducted themselves in a professional manner.

If, in the future, we are in need of services that DiGiorgi can provide, we will certainly not hesitate to call.

Yours truly,

Dear Sirs,

I would like to thank you for your excellent work on the gutters for my home at 9 Sperry St. The work was done while I was at work and it was a very pleasant surprise to see the gutters up and the area clear of debris or clutter. I will indeed be contacting you when I have my roof redone!

Sincerely,

Althea Millard

Dear Mr. DiGiorgi:

With great appreciation and respect for all your staff, I want to say thank you for an outstanding job.

Mr. Ken DeChello was the third roof and gutter estimator out of five that I interviewed. Because of Ken, his knowledge, and the time he shared explaining the process of replacing my roof and gutters, I choose DiGiorgi.

The men that arrived at my home were very professional and polite. Sometime in the near future I will need new siding. Because of this crew, I will be calling DiGiorgi again.

Kindly use my name as a reference. Please let me know if DiGiorgi does other forms of construction. Thank you for you time. Have a great day.

Sincerely,

cc: Ken DeChello and crew
